Henrys Lake Guide

Stop Aquatic Hitchhikers!

Currently Henrys Lake is free from the below invasive species—lets keep it that way!
If Henrys Lake becomes contaminated—the rest of the Henrys Fork will too.
It's in our hands.

Large boat wash stations are provided FOR FREE, thanks to the *Idaho Department of Agriculture & Fremont County Weed Control*, at Henrys Lake State Park, County Dock, and Wild Rose Ranch and smaller, portable wash stations will be at other access points around the lake.

Mandatory Invasive Species Stickers help fund this program. You can purchase them at all State Parks

PLEASE take time to wash your boat and gear BEFORE entering the lake.
